I am pleased to endorse John DiSanto in his campaign for Pennsylvania State Senate in the 15th Senatorial District.

John has the background and 30+ years of experience necessary to be a true voice of the people. I know that John DiSanto will do what's right and make logical and fiscally sound decisions as he has done successfully in the private sector. There is no doubt he will protect our constitutional freedoms and be a great Senator.

Sincerely,
